Your doctor may have prescribed CannRix CBD2000 for another reason.

Ask your doctor if you have any questions about why CannRix CBD2000 has been prescribed for you.

**This medicine is available only with a doctor's prescription and is a Schedule 8 (Controlled Drug) Medicine as per the Therapeutic Goods Administrations Standard for the Uniform Scheduling of Medicines and Posions.**

---

## **Before you use CannRix CBD2000**

---

### ***When you must not use it***

Do not use CannRix CBD2000 if:

- You have previously experienced allergic reactions to this or other similar medicines.
- You are Pregnant
- Your are Breastfeeding
- You intend on operating a motor vehicle, an aircraft, a motor vessel or heavy equipment and machinery

If you are not sure whether you should start using CannRix CBD2000, talk to your doctor.

### ***Taking other medicines***

Tell your doctor if you are taking any other medicines, including medicines that you buy without a prescription from your pharmacy, supermarket or health food shop. You should also tell any health professional who is prescribing a new medication for you that you are taking CannRix CBD2000 (Cannabidiol).

Some medicines may be affected by CannRix CBD2000 or may affect how well it works. You may need different amounts of your medicine, or you may need to take different medicines.

Your doctor or pharmacist has more information on medicines to be careful with or avoid while taking CannRix CBD2000 Cannabidiol.

---

## **How to use CannRix CBD2000**

---

### ***How much to take***

Refer to your Doctor's instructions on how much and when to take the medicine. The label should always be carefully read.

The Cannabidiol Oil should only be taken orally, by sublingual application, by placing the prescribed dose of Cannabidiol Oil under your own, or the patients tongue. Allow the solution to dissipate from under the tongue to then be swallowed.

### ***When to take it***

CannRix CBD2000 should be taken at a frequency that is per the advice of your Doctor or Medical Practitioner. It can be taken with, or without food.

### ***How long to take it***

The duration in which CannRix CBD2000 should be taken as per the advice of your Doctor or Medical Practitioner. Please refer to your Prescription or seek advice from your Doctor regarding the duration and frequency of this medicine.

### ***If you forget to take it***

If you forget to take your CannRix CBD2000 medicine, continue the dosage cycle from your next dose in the sequence.

In the event that the CannRix CBD2000 Cannabidiol does not work for your prescribed condition, you should contact your Doctor or the Prescribing Medical Practitioner as soon as possible.

The CannRix CBD2000 medicine is only intended for the use of the consumer it has been prescribed for. Possession of CannRix CBD2000 Cannabidiol without a current or valid prescription in the name of the consumer originally prescribed, may constitute an offence under the Drugs Misuse Act.

---

## **While you are using CannRix CBD2000**

---

### ***Things you must do***

It is advised to stop using the product immediately and contact your doctor immediately if you become pregnant while you are taking the medicine.

If you are about to be started on any new medicine tell your doctor and pharmacist that you are taking CannRix CBD2000 Cannabidiol. You must keep the CannRix CBD2000 Cannabidiol medicine in its original packaging, and store in a cool dry place.

### ***Things you must not do***

Do not give medicine to anyone else, even if they have the same condition as you. The CannRix CBD2000 medicine is only intended for the use of the consumer it has been prescribed for. Possession of CannRix CBD2000 Cannabidiol without a current or valid prescription in the name of the consumer originally prescribed, may constitute an offence under the Narcotic Drugs and Drugs Misuse Acts.

---

## **In case of overdose**

---

### ***If you take too much (overdose)***

Immediately telephone your doctor or the Poisons Information Line (telephone 13 11 26), or go to accident and emergency at your nearest hospital, if you think that you or anyone else may have taken too much CannRix CBD2000 Cannabidiol.

Do this even if there are no signs of discomfort or poisoning.

---

## **Side Effects**

---

Tell your doctor or pharmacist as soon as possible if you do not feel well while you are using CannRix CBD2000.

All medicines can have side effects. Sometimes they are serious, most of the time they are not. You may need medical treatment if you get some of the adverse effects. Ask your doctor or pharmacist to answer any questions you may have.

Other adverse effects may also occur in some patients. Tell your doctor if you notice any other effects.

---

## **After using CannRix CBD2000**

---

### ***Storage***

You must keep the CannRix CBD2000 Cannabidiol medicine in its original packaging, and store in a cool dry place.

CannRix CBD2000 Cannabidiol and all Medicines must be Kept Out Of Reach Of Children at all times.

### ***Disposal***

The Consumer should return to a pharmacy any unused medicine, and any medicine past its expiry date as shown on the dispensing label or on the packaging.
